Underground electric, natural gas, water and communication lines are buried in neighborhoods and on farms throughout Kansas. Before you excavate, plant or build, call Kansas One Call by dialing 811 first. You can request underground facilities be marked before you dig. Ensure your safety (and don't inconvenience your neighbors); call 811 or visit www.kansasonecall.com .

An itemized accounting of all electric and gas charges appears on page two.

Carbon Monoxide (CO) is a colorless odorless gas. The EPA estimates 500 Americans die from CO poisoning. If you have a water heater, stove or furnace, have them inspected annually to ensure proper operation. Natural Gas Appliances should be inspected annually for a gas leak.

These charts show a 12-month history of electric and/or natural gas usage, allowing you to quickly compare several months of usage.

If you're enrolled in these programs, it will indicate so here. If you'd like to be, just call us at 1-800-222-3121.

Energy Cost Adjustment is a variable cost based on the price of fuel used to generate electricity. It varies each billing period.

A variable charge based on the volume of gas you use, the price of gas Midwest Energy purchases, and the cost of upstream gas capacity.

A variable cost that covers the cost of electricity, per kilowatt hour of electricity consumed. $\$51.48 / 594 \text{ kWh} = 8.6\text{¢}$ per kWh.

The TDC is a variable cost, and is your share of maintaining the transmission network based on the kWh used this period.

A fixed charge covering metering, admin costs, compliance, etc.

A variable charge covering distribution of gas and maint. of gas mains & pipes.

Adjustable charge (resets yearly) to help recover infrastructure costs and safety expenses.

This customer owns panels in the MWE solar array, and receives a monthly bill credit. Most customers won't have anything in this area of their bill.

Franchise fees are determined by city governments where we serve, and range from 1-5%; we collect these fees (and any applicable city/county/state tax) and pass them directly to the governments where you live.
